Connecting Family Wim Hof with David Wolfe

January 4th, 2016 producer Manely refers David Wolfe's team to Wim Hof and his management through e-mail. MIP acquires permission to film during Wolfes longevity event in the USA from September 30th to October 2nd 2014. We agree Wim Hof will be on the main stage as a keynote speaker on Sunday. At this time, David Wolfe is the WHF ambassador. MIP cancels the research trip due to costs and results balance, though the Hof family is delighted with Wim's keynote main stage gig.

Crowdfunding in 2017

A worldwide crowdfunding campaign is in preparation to raise funds for the film, with the aim to launch it 14th February 2017.

Ellamo Network

We start to expand our network in the USA. November 8th 2016 Manely travels to Orlando, Florida and successfully connects with mind liked people and organizations. He receives a VIP invitation from Veronica Chew for the NAC (National Achievers Congres in Amsterdam, organized by Success Resources where he will meet with Robert Kiyosaki and other leading entrepreneurs, mentors and speakers.
