Ellamo Foundation Annual Report 2018

(Report created half 2018)

The situation in 2018 is unchanged and the same as in 2017.
Again, the Chamber of Commerce contributions are paid by MIP from private funds.

Costs are made private by MIP, so Manely Ellamo. (so donated)

Furthermore, the name Ellamo is used by MIP for strategic reasons.

Manely Ellamo travels in February to California to network.

Manely visits as VIP guest the City Summit and Gala (https://citysummit.co/) founded and lead by Ryan Long, which is part of **www.globalunityfoundation.org.**

Dr. Josephine de Jongh accepts the post of interim Chairperson at Ellamo Foundation for the time being and travels with Founder Manely Ellamo to the US to network and prepare an entry in the charity market of this country.

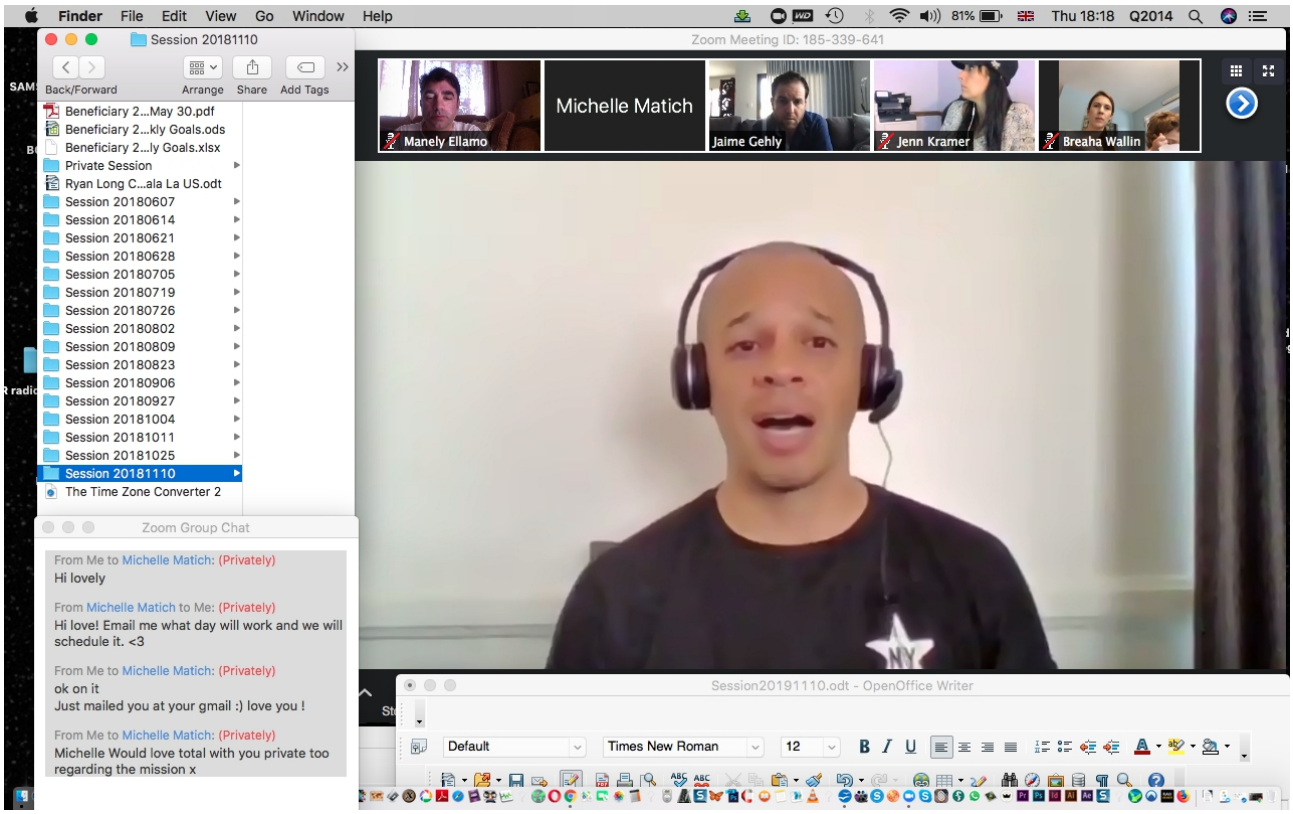

We learn a lot from US-based foundations as well as social entrepreneurs.

November, we visit the Mega Success event founded and lead by JT Foxx, a serial entrepreneur and business coach who is also a philanthropist.

In 2019 we will revisit both events. Meanwhile knowledge is shared through a weekly webinar with guest experts organized by City Summit. Ellamo was given total access and Manely attended all the meetings since then.

Mainly because we learned that US 501(c)(3) public benefit non -for profits are allowed to Sponsor Fiscally any public foundation in the world, which offers opportunities in the donation market, and creates a win-win for three parties. Both foundations involved and the party that donates.

We created a pitch for the WHF project and a business plan with a paid Ellamo Executive Board with sole freelancers based on invoicing after met goals and results.

Live webinar 10 November 2018. Learning from each other. Here Ryan Long introducing the group. Manely first in the top.

fLTR Dr. Josephine de Jongh, Mel Gibson, and Manely Ellamo at Mega Success in Anaheim California.
November 2018 JT Foxx is well connected and an expert regarding branding. We meet thx to Foxx big names with social awareness.
